TANGEDCO,

Lr.No.GS/TNEBES/F1/ D56 /2015.Dt.08.12.2015.

Sir,

Sub: Devastating Flood in the State - Celebrating Energy Conservation – week long programme by TANGEDCO – to be dispensed – represented – Reg.

Ref: Energy conservation week – 14.12.2015 to 20.12.2015.

The devastating flood throughout the state has thrown the normal life of the people out of gears and caused extensive damage to life and property. The relief works are being carried out to bring normalcy in the State which will take some more time to complete.

Under such circumstances we receive reports that, the Section Officers are forced to prepare for the week long celebration of the Energy Conservation from 14.12.2015 to 20.12.2015. It is not right time for the celebration of Energy Conservation. We feel this will create adverse image on the TANGEDCO, affect the relief works and over burden the field Engineers and Staff who are already exhausted in the relief operations.

We suggest the expenditure to be incurred for the week long celebration of Energy Conservation throughout the State may be utilized for the relief operations which will be more beneficial and bring good respect to TANGEDCO.

Hence, we request the Chairman cum Managing Director to kindly reconsider celebrating the Energy Conservation Week and order to dispense the same.

Thanking you, Sir,

Yours sincerely,

  
(V. ASHOK KUMAR) 8/12/15  
General Secretary.
