Lr.No.GS/TNEBES/F1/ D58 /2015,Dt.08.12.2015.

Sir,

Sub: Enhancing ceiling limit of C.U.G. mobiles to GCC wing – maintaining parity among GCC wing - intervention of CMD – requested – Reg.

Ref: 1.(Per.) CMD TANGEDCO Proceedings No.220 (Sectt. Br.) Dt.20.08.2013.  
2. Our representation D162/2015,Dt.19.05.2015 & D34/2015,Dt.03.09.2015.

---

With reference to the above, we have represented to maintain parity among engineers working in GCC wing. The ceiling limit for the C.U.G. mobiles used in GCC / Trichy is Rs.200/- vide reference (1), where as in other areas of GCC it is only Rs.44/-. This disparity humiliates the engineers working in other areas of GCC.

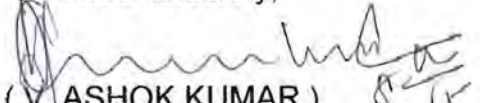

**Our continued representations expressing the opinion of the Engineers working in GCC to maintain parity was not taken up in the right spirit by the management and till date it is not extended to other areas of GCC.**

**After waiting for more than 2 years, the Engineers working in GCC requests to either maintain parity or to withdraw the Sim card issued to them.**

Hence, we request the Chairman cum Managing Director to direct the officials to maintain parity among Engineers working in GCC wing by enhancing the CUG ceiling limit from Rs.44/- to Rs.200/- on par with GCC / Trichy.

Thanking you, Sir,

Yours sincerely,

  
(V. ASHOK KUMAR)  
General Secretary.
