In continuation with orders issued vide reference (11) above, the following instructions are issued for the registration of the request transfer applications.

2. The existing transfer guidelines as prevailed before 28.6.2017 shall be continued to be followed.

3. As already noted in reference (4) transfer applications are valid for that particular half year only. As such application submitted through portal during January 2022 becomes invalid if not effected on or before 30.06.2022. Accordingly all pending RTAs registered during January 2022 in all categories will be cancelled.

4. Fresh request transfer applications for 1.07.2022 are to be submitted through **online**. Necessary guidelines for registration through online are available at the **web-site address RTA ~ URL:<http://192.168.150.75/openbd/RTAJUL22/>** Also, a hard copy of RTA is to be submitted to the competent authority alone. The portal will open from 1.07.2022 at 10.30 Hrs and close on 15.07.2022 at 17.15 hrs. No further extension will be granted in view of holidays as applications are to be submitted only through on line before the due date.

5. The designated authority shall arrange to furnish the Performance Assessment Report of the individual through online in the same portal within 1 week from the last day for submission of application. If Performance Assessment Report of the individual is not updated before the specified time, the details as furnished by the applicant as available at the office of the competent authority to be taken in to account and orders to be issued.

6. During online registration, any fraudulent act such as registering in other's name and GPF no. will be viewed seriously and DP will be initiated against such persons.

7. The General guidelines already issued in reference (4) cited are to be followed for Online registration.

8. The above instructions are to be strictly adhered to by the staff and officers of TANGEDCO/TANTRANSCO for easy process of their request transfer applications.

9. The competent authority to effect transfer can act based on the physical copy in case of difficulty in feeding data through online.
