Respected Sir,

Sub: Submission of points pertaining to difficulties in implementation of RDSS
– Continuation of this feature regularly – regarding.

TNEBES wholeheartedly thanks the Management for calling us for an discussion regarding difficulties faced in field while implementation of RDSS.

We've herewith putforth the points for kind consideration and solution, so as to complete the RDS scheme works complying the norms laid in by the REC please

- Feasibility of effecting the Sanctioned Estimate.
- Time required for verifying the actuals and preparation of revised estimate.
- Difficulties in implementation and settlement of disputes aroused during execution.
- Allowing of part payment.
- Allocation of separate funds in time bound (15 days).
- Additional requirement of Materials and Labors to comply the REC standards.
- Allotment of materials in package in time rather than in piecemeal.
- Marking of Substations to be made after thorough examination of load centers.
- Mirror bay should be avoided due to insufficient clearance and space constraints.

Tamil Nadu Electricity Board Engineers' Sangam

- Schemes undertaken on turnkey basis to be expedited.
- Exclusive powers to be delegated for circle heads for executing this scheme.
- Separate norms for Cities and Rural to be applied in fixing of DTs due to space constraints.
