TANTRANSCO

O/o Managing Director,
TANTRANSCO/Chennai.

Memo.No.MD/TANTRANSCO/DIR/OPN/EA/F.Instruction/D.No.767/'23,
dt. 15.06.2023.

Sub: Electricity – TANTRANSCO - Maintaining uninterrupted power supply during the visits of VVIPs and important Government functions in TamilNadu – Instructions issued –Reg.

Chairman/TANTRANSCO has instructed to maintain uninterrupted power supply during the visits of VVIPs and important Government functions in TamilNadu.

In order to maintain the uninterrupted power supply, the following instructions are issued.

- The program schedule of the VVIP to be obtained by the concerned SEs/Operation well in advance and the site should be inspected in co-ordination with the TANGEDCO officials.
- The Main and Alternate feeding sources to the function venue and place of stay shall be ensured by the concerned SEs/Operation.
- Necessary duty chart to be prepared by the concerned CE/SO and communicated with the sketch and source details well ahead.
- During the landing/departure of VVIPs from other states/country either in the Airport/Helipads, officials of Operation and P&C with their team should be present at the feeding substations.
- During the entire program, the SEs/Operation and P&C with the team of officials and other key officials of Operation/P&C wings should be available in the Main/Alternate feeding substations & function venue.
- The special team of Lines, Hotlines, SF6 to be readily available at the required locations to attend the emergencies if necessary.
- Concerned EEs/Operation and Shift Operators should be more vigilant to avoid any untoward incident.
- The power position shall be monitored by CE/SO and CE/P&C and both of them should be available in the feeding substation during most important VVIP's functions.

- Maintenance of power supply without any disturbances to be ensured by CE/GO and SE/LD&GO.
- Overloading if any on the source SS/feeders should be ascertained and remedial measures to be taken well in advance by CE/SO,CE/GO and SE/LD&GO.
- EEs/SLDC shall ensure continuous power supply.
- Respective officials shall be in touch with the distribution wing to get updates of the programme.

The above instructions are to be adhered scrupulously to maintain uninterrupted power supply.
