Lr.No.GS/TNEBES/F1/ D.37/2023, Dt. 22.05.2023.

Respected Sir,

Sub: Calling for of particulars for Junior Engineer / Civil II Grade Promotions by
Internal Selection – requested regarding

Ref: 1. Discussion with respected CMD on 07.10.2021
2. Lr.No.GS/TNEBES/F1/ D.18/2022, Dt. 30.11.2022.

Promotions for the post of Junior Engineer /Civil II Grade is pending for almost a decade. The eligible Diploma qualified persons are starved of promotions. As there isn't any entry level posts for Civil Diploma holders they are mostly working as Field Assistants or in other posts in the RWE category.

Our Sangam's plea for creation of Technical Assistant / Civil post is pending for more than a decade adding pain on the Civil community. While their counterparts in Mechanical and Electrical Branches have reached a comfortable status based their qualification, there remains more and more pain for the Diploma Civilcommunity.

Tamil Nadu Electricity Board Engineers' Sangam

The only solace is Junior Engineer / Civil II Grade posts which too eludes them due to very few posts. Few at least may get benefitted if calling for is made and promotions issued. Our repeated representations in this regard has gone unheeded.

We request the sympathetic consideration of the respected Chairman cum Managing Director yet again on this Diploma Civil community and hence request to instruct the respected Chief Engineer / Personnel to call for particulars among eligible persons for the promotions of Junior Engineer / Civil II Grade posts by internal selection, bringing hope in the life of the aggrieved Diploma Civil community and thus render please.

Thanking you, Sir,

Yours Sincerely,

(V.S. SAMPATHKUMAR)
General Secretary.
