

TAMIL NADU POWER DISTRIBUTION CORPORATION LIMITED
(TNPDCCL)
ABSTRACT

Establishment – TANTRANSCO – Constitution of a committee to redress the grievances of the orders on merging and abolition of the posts of Chief Engineer/Transmission Projects and Chief Engineer/System Operation – Re-organisation with 4 nos. posts of Chief Engineers/Electrical - Orders – Issued.

SECRETARIAT BRANCH

(Per.) CMD TNPDCCL Proceedings No.193

Dated 16TH July 2025.

Aani-32.

Thiruvalluvar Aandu 2056.

Read :

1. (Per) CMD TANGEDCO Proceedings No.162 SB, dated 18.08.2022.
2. (Per.) CMD TANGEDCO Proceedings No.175 SB, dated 20.09.2022.
3. From the Managing Director/TANTRANSCO Committee Report dated NIL received at this office on 03.06.2025.

PROCEEDINGS:-

In the Proceedings first read above, orders were issued for merger, abolition and re-designation of the following posts :-

Sl. No.	Name of the post to be merged.	Post to be renamed as	Post to be abolished
(1)	(2)	(3)	(4)
1.	CE/Transmission Projects-I/ Chennai & CE/System Operation/Chennai	CE/Transmission Projects & System Operation/Chennai.	Chief Engineer/ System Operation, Chennai
2.	CE/Transmission Projects-II/ Trichy & CE/System Operation/Trichy	CE/Transmission Projects-II & System Operation/ Trichy.	Chief Engineer/ System Operation, Trichy

2. Certain objections were raised by the Unions/Association to cancel the above orders. To redress the grievance of the Unions/Association it has been decided to constitute a committee to give suitable suggestion to modify the above orders. Accordingly, in the Proceedings second read above, orders were issued, constituting a Committee with the following members to give suitable suggestions to modify the orders issued in the proceedings first read above:-

1. Managing Director/TANTRANSCO
2. Director (Generation)/TANGEDCO
3. Director (Finance)/TANTRANSCO

3. The committee has now proposed that, in the present scenario, reorganisation of TANGEDCO as TNPGL, TNGECL and TNPDL is made and functioning efficiently. The TNGECL is actively developing solar projects in Tamil Nadu to install 20,000 MW of solar power plants by 2030 and establishing solar parks in each district. Additionally, revamping of existing wind farms and other renewable energy sources are undertaken. Consequent to this, establishment of many new substations and strengthening of transmission corridors are to be proposed to evacuate the generations and transmit to the load centres. Accordingly the erection and commissioning works on establishment of new substations & transmission corridors and strengthening of existing transmission corridors has to be carried out under the supervision of CEs/Transmission Projects.

4. The committee has also proposed that, the operation circles were formed with the functional responsibility to operate and maintain the EHV transmission elements, so as to match the generation capacity addition, to evacuate and maintain/ensure a reliable 110 KV supply available all the times, to all the distribution networks, there by the exponential growth of demand, from all the category of consumers are being served judiciously. However, at present, only 2 nos. Chief Engineer posts are available instead of 4 nos. Chief Engineers due to post merger and is very difficult to execute the erection, commissioning and maintenance of substations and transmission corridors all over the state. Considering the wide area and huge responsibilities, the committee has recommended that to meet out the upcoming demands and to provide uninterrupted power supply to the consumers it is most essential to retain the 2 nos. Chief Engineer posts that were ordered to be abolished and may be reorganised with 4 nos. post of Chief Engineers/ Electrical as tabulated below :-

PROPOSED MODIFICATION			
Sl. No.	REGION	OPERATION CIRCLES	GCC CIRCLES
1.	CE/Transmission Projects & System Operation/Chennai (Headquarters at Guindy/Chennai)	Chennai North	GCC I/Chennai
		Chennai South	
		Sriperumbudur	GCC II/Chennai
2.	CE/Transmission Projects & System Operation/Salem (Headquarters at Salem)	Thiruvalam	GCC/Coimbatore
		Coimbatore	
		Salem	GCC/Salem
3.	CE/Transmission Projects & System Operation/Trichy (Headquarters at Trichy)	Villupuram	GCC/Trichy
		Trichy	
		Thanjavur	
4.	CE/Transmission Projects & System Operation/Madurai (Headquarters at Madurai)	Madurai	GCC/Madurai
		Tirunelveli	

5. The report of the committee has been carefully examined and it has been decided to accept the same and to cancel the orders issued in the proceedings first read above. Accordingly, the following orders are issued :-

- i. the orders issued in the Proceedings first read above be cancelled.
- ii. 4 Nos. posts of Chief Engineer/Electrical be reorganised with Headquarters at Guindy/Chennai, Salem, Trichy and Madurai as detailed below :-

Sl. No.	Name of the post in the O/o.	OPERATION CIRCLES	GCC CIRCLES
1.	CE/Transmission Projects & System Operation/Chennai (Headquarters at Guindy/Chennai)	Chennai North	GCC I/Chennai
		Chennai South	GCC II/Chennai
		Sriperumbudur	
2.	CE/Transmission Projects & System Operation/Salem (Headquarters at Salem)	Thiruvalam	GCC/Coimbatore
		Coimbatore	
		Salem	GCC/Salem
3.	CE/Transmission Projects & System Operation/Trichy (Headquarters at Trichy)	Villupuram	GCC/Trichy
		Trichy	
		Thanjavur	
4.	CE/Transmission Projects & System Operation/Madurai (Headquarters at Madurai)	Madurai	GCC/Madurai
		Tirunelveli
