

TAMILNADU TRANSMISSION CORPORATION LIMITED
ABSTRACT

TANTRANSCO - System Operation – Operation circles – Executive Engineer/Operation post of various substations redeployed - Retention of hired vehicle for Substation and Line maintenance activities - Administrative approval - Accorded.

TECHNICAL BRANCH

(Per.) CH TANTRANSCO Proceedings No:94

Dated: 29.05.2025,
Vaikasi - 15
Visuvaavasuv varudam,
Thiruvalluvar Aandu 2056.

READ: 1. Chairman/TANTRANSCO's approval dated 26.05.2025.

PROCEEDINGS:

- As per the FB TANGEDCO proceedings No.4 dated 05.03.2024 and revised FB TNPDCI proceedings No.4 dated 12.11.2024 excess posts of Executive Engineers/Operation are being redeployed by various offices in TANTRANSCO and TNPDCI.
- In continuation to the redeployment of Executive Engineers/Operation posts, the hired diesel driven vehicle utilized in the concerned EHT substations is being suspended.
- Since the EHT substations are equipped with highly expensive components and its associated feeders, carrying out daily routine and breakdown maintenance works without vehicle is difficult.
- Hence in order to maintain uninterrupted power supply, hiring vehicle is essentially required to carry out the periodical and emergency outages in the substations and its associated lines.
- In this regard, it was proposed to retain the existing hired vehicle for maintenance of Lines and Substation works in the EHT substations even though Executive Engineer/Operation posts are redeployed.
- The Tamil Nadu Transmission Corporation Ltd., hereby approves to retain and continue using of already existing hired vehicle for maintenance of Lines and

Substation works in the EHT substations as in vogue with other sub stations, even though Executive Engineer/Operation posts are redeployed.

- The receipt of the proceedings may be acknowledged.
