We are thankful to the Chief Engineer / Personnel for issuing orders for the appointment of various cadres like Technical Assistant, Assistant Engineer etc.,

- ❖ The appointment order from the Chief Engineer / Personnel office, sent through courier to the individuals was not received by certain individuals till date.

We learn that, the courier sent to them was returned due to various reasons. Also we learn that, the same was again posted through registered letter to the individuals.

In this connection we present that the candidates who are residing at villages and rural areas do not have access to Courier / Registered letter. This will again lead to delay.

In the past, the appointment order returned were issued to the individuals at the Chief Engineer / Personnel office after checking the identity of the individuals.

- ❖ Due to huge volume of works, certain errors in the spelling of candidate's name, father's name and changes in date of birth, address, have occurred to certain individuals. These candidates were not allowed to join at their respective circles.
