

## Meeting of TNEB Trade Unions

All the major trade unions (15) of TNEB have met on 08.07.2010 at Sangam office and discussed mainly regarding the abolition of posts in TNEB, particularly in generation wings (Thermal, Hydel and Gas stations).

The trade unions have unanimously decided to take up the matter immediately by presenting a joint memorandum requesting the Government and the Chairman;

- 1) to restore all the posts suppressed by the Chairman.**
- 2) to continue the existing staff pattern for the non-work load areas.**
- 3) to fill up all the sanctioned posts.**

TNEB Engineers' Sangam extend its sincere thanks to all the trade unions.

General Secretary.  
TNEBES
