Lr.No.GS/TNEBES/F1/D187 /2014,Dt.16.04.2014.

Sir,

Sub: Execution of extension / improvement works through chit agreements – uniform implementation in all Distribution Circles – represented – Reg.

Ref: 12(3) settlement dt.09.01.2014.

The section officers working in the field are finding difficulty in executing works of extension / improvement.

In most of the circles the chit agreements are not permitted for the extension / improvement works. We enclose here with a status report of Chit Agreement being permitted for executing works by various distribution circles. Finding K2 Agreement contractor and executing works through K2 Agreement is a big problem.

In Virudhu nagar E.D.C. a unique method called "written understanding " is adopted to execute works. From the above it is clear that there is no uniformity in adopting the chit agreements for executing the works of extension / improvement.

Hence, we request the Director / Distribution to kindly direct all Chief Engineers and Superintending Engineers to permit the AEE to execute chit agreements and section officers to carry out the works through chit agreements uniformly throughout the Board please.

Thanking you, Sir,

Yours sincerely,
