Lr.No.GS/TNEBES/F7 /D185 /2014,Dt.16.04.2014.

Sir,

Sub: Disbursement of all payments through bank account to officers working at T.T.P.S. – represented – Reg.

---

The salaries for all employees are paid through bank account. But payments other than salary are paid by cash. The officers, particularly engineers, working in T.T.P.S. are attending works in the field of the Thermal Stations.

As the engineers are coming in shift duties receiving the payment in time is always difficult and delayed. On many occasions the amount were received after few days / week.

More over carrying the huge amount of cash throughout the shift duty and working in the field is very difficult and also carrying hugh amount of cash from office to home during night hours is more risky and threat to their life.

In generating stations and distribution circles, mostly all payments are made either through bank account (or through cheque). We learn in NCTPS cash worth more than Rs.15000/- are paid thro cheque by obtaining willingness from employees. In distribution wing all payments of higher values are paid through cheque/ bank account. This may be allowed at T.T.P.S also, if required by obtaining willingness from the Engineers / Officers.

Hence, we request the Director / Finance to kindly consider the practical difficulties and direct the administration at T.T.P.S. to pay all payment through bank accounts/ Cheque for the officers working in T.T.P.S.

Thanking you, Sir,

Yours sincerely,

  
(V. ASHOK KUMAR) 16/4  
General Secretary.
