PRESIDENT

Er. A.ANTONYPADOVARAJ

GENERAL SECRETARY

Er. V. ASHOKKUMAR

TREASURER

Er. R.BADRINARAYANAN

To

THE CHIEF ENGINEER / PERSONNEL,  
TANGEDCO,  
Chennai-600 002.

Lr.No.GS/TNEBES/F3/ D211 /2014,Dt.05.06.2014.

Sir,

Sub: Promotions – suitability reports called through Chief Engineers –  
reports delayed – restoration of original system – represented – Reg.

Ref: CE/P/Lr.No.71223/495/G1/G11/2013-6,Dt.03.05.2014.

---

The normal procedure for the preparation of panel for the promotions is to get the suitability reports and PARs from the SE's concerned.

In the letter calling particulars for the promotions of Assistant Executive Engineer / Electrical vide reference cited above it was stated as follows.

"..... to furnish the particulars in the format annexed in respect of officials mentioned in the list, who are working under your circle along with 10 years of particulars (each 7 copies) of them through the Chief Engineers concerned".

This is new and not followed in the past. Whereas for the promotions of Assistant Executive Engineer (Mechanical), Junior Engineer Grade-I (Mechanical), Junior Engineer Grade-I (Electrical), the reports were only called from the Superintending Engineers concerned not through the Chief Engineers.

The new system created additional burden to the circle administration as well as to the regional administration.

Already the reports are being sent in late, by the new system this will further increase the delay and ultimately the promotions will be delayed.

## Tamil Nadu Electricity Board Engineers' Sangam

Hence, we request the Chief Engineer / Personnel to;

- i) kindly issue order restoring the old system of receiving report from Superintending Engineers concerned.
- ii) direct the Superintending Engineers to send reports directly to the office of the Chief Engineer / Personnel.
- iii) issue promotion orders early.

Thanking you, Sir,

Yours sincerely,

  
( V. ASHOK KUMAR ) 5/6/14  
General Secretary.

Encl: AEE(E) Called for letter – 1 No.
