To
THE DIRECTOR / DISTRIBUTION,
TANGEDCO,
Chennai-600 002.

Lr.No.GS/TNEBES/F10/ D200 /2014,Dt.13.05.2014.

Sir,

Sub: Displaying materials stock position – to assist - section officers – online / e-mail requested – Reg.

The distribution wing spreads to a huge radius and the stores are far away from the section offices. For any drawl of material, the staff has to travel to a long distance and to spend nearly a day or two for it. Unfortunately even after spending time, money and man power, they could not get the required materials, since many materials are not available in the stores.

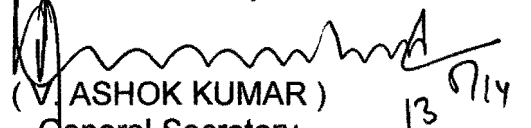

The availability of manpower required to carry out day-to-day affairs and maintaining supply is scarce. Under such circumstances wasting of money and man power on an unsuccessful attempt could have been avoided if the availability of materials at stores is made known to the section officers through on line method / e-mail.

Based on our request, the Superintending Engineer / Gobi E.D.C has put the status of materials available at Stores on e-mail to the section officers. This has reduced the problems of the section officer and also reduced the wastage of money and man power.

We request the Director / Distribution to kindly direct all the Chief Engineers/ Distribution and Superintending Engineers / Distribution to put the status of materials available at Stores, on line / e-mail to assist the section officers to improve their functions and to service better to the public.

Thanking you, Sir,

Yours sincerely,

(V. ASHOK KUMAR)
General Secretary. 13/5/14
