

VALUE CREATORS

The outstanding performances of the employees are identified and their contribution to the organization (TNEB) is ranked as 'Valuable'

These 'Value creators' are identified by the committee constituted by the respected Chairman.

The action of the Chairman acts as catalyst in the organization to boost the performance of all employees. This will motivate the employees at all level to generate and improve the internal efficiency and earn good results both technically and financially.

Sangam appreciates the efforts of the respected Chairman in tapping the potential from the Human Resource which is really a value added asset for the organization.

Sangam congratulates the 'Value creators' and wishes them to reach many more peaks in the future too.

V.Ashok Kumar
General Secretary
